

Rules for the RPGS 2011 Knock Out

1. The first-named, as challenger, must offer his opponent at least three dates on which to play the tie. The course and tees to be played will be as agreed between the players - not nominated by the challenger as in years past - and failing agreement, will be nominated by the Golf Secretary. In most cases, the Golf Secretary will nominate the North Inch.
2. All ties must be played by the due date shown on the drawsheets. If not, the challenger should consult the Golf Secretary as to what to do. Extensions of time will be allowed only in extreme circumstances.
3. Players may decide on what to do in the case of halved matches. This should be settled before play commences, but if there is no agreement, the match will be settled by sudden death.
4. **No later than the day after their tie has been played, players should report the match result to the Golf Secretary, so that he may advise all those going forward against whom they will be playing in the next round.**
5. Full handicaps (maximum 28 for those with official handicaps, otherwise to be agreed with the Golf Secretary) will be allowed. Handicaps are unaffected by any RPGS win in 2010 or 2011.
6. The winner of the Robert Division plays the winner of the Graham Division in the final.
7. Any issues arising should be referred for determination to the Golf Secretary, whose decision will be final.
