

24th April 2011

Dear Golfing Member,

Spring Medal 2011

I attach the draw for the Spring Medal on **Tuesday 26th April** at Strathmore.

In view of the large field, I have secured earlier start times off the 1st (none available off the 10th). There will therefore be an irregular two tee start – from 12.30 on the 1st and 13.07 on the 10th.

There will be 4 sweep prizes in each division as well as the tankards and trophies. The sweep monies and tankards (two in each division) will be handed out at in the evening. The trophies as usual will be presented at the Annual Dinner.

Green fees at Strathmore this year are £20.00 and the sweep remains at £5.00. Please pay these in the office before play.

This is the first leg of the Tullibardine Cup and also – in the new format – the Captain's Salver.

You will be pleased to hear that the loos and showers at Strathmore have had a modest makeover during the off-season. They are at least looking much cleaner.

We will aim to sit down to dinner in the evening as soon as possible after 19.30. Please therefore be prompt.

Any questions to me at monkquell@btinternet.com or 01250 873229 please.

Best regards,

Andrew Christie
